Summer Learning Fun!

During the summer holidays why don't you research how the Stone-age people lived and construct a cave to put on display in your new classroom Or you could create an A3 poster based around all the new discoveries made during the Stone, Bronze and Iron ages.

Why not visit the Museum of London in Barbican, it's free! You can see for yourself all the amazing new discoveries made by Man.

Our Learning Journey is...

New Discoveries

This term Year 3 will be finding out about all the new discoveries made by Early Man and the impact it has had on the future. We will also be researching how Mary Anning discovered the fossilised remains of prehistoric animals and how this helped us build a picture of the past.

Year 3

Autumn Term 2019

Some of the questions we hope to answer this term are:

How did we know there were dinosaurs?
What did they discover?
How did they discover fire?
How did they discover bronze and iron?
How did the people survive?
How did they live?
What did they eat?
How did they communicate?
How did they make weapons?
How did people travel?
How did they discover other countries?
Where do we get the evidence from?

Key Knowledge

In this topic the following knowledge will be taught;

Changes in Britain from the stone Age to the Iron Age. This include Neolithic **hunter-gatherers** and early farmers e.g. Skara Brae. Bronze Age religion, technology and travel, for example, Stonehenge, Iron Age hill forts: tribal kingdoms, farming, art and culture.

Your child will take part in a fun quiz on the first day back. Please help them to be prepared!

New Discoveries Finale Day

We will have a topic finale day to celebrate our learning. More information to follow on the school website.

Autumn Term Visits:

Natural History Museum & a Local Hindu Temple
More details and dates to follow.

You might like to join in with our learning by:

Reading

Read Key Texts, visit and read websites about

The different ages – <https://www.bbc.com/education/topics/z82hsbk>

Key Vocabulary

Can you help us?

Do you know anyone that is an *archaeologist* or interested in *palaeontology*?

If you have any expertise in the topic and would be willing to share this with the children, please speak to your child's teacher.

Summer reading challenge 2019:

Make sure you sign up for free at your local library.

You'll receive your very own Space Chase mission folder to get you started. Read six library books (or more!) over the holidays to collect special stickers to add to your folder. Collect all the stickers to find the aliens and save the missing books and complete the Challenge.

https://www.youtube.com/watch?time_continue=1&v=czDFvaXX4hI

Don't forget to keep logging on to TimesTables Rockstars and SumDog regularly over the holidays.
