Homework— Please return by Tuesday 10th September 2019

Conflicts, disagreements and tensions affect all children during their lifetime. As adults, we need to encourage conflict resolution through communication, compromise, harmony, collaboration and forgiveness. Picture books as well as chapter books are perfect conversation starters and these books are no exception. They cover war, peace, understanding, sympathy and respect.

Select one of the books from the list below or choose your own book based on the theme—Peace/Conflict. You can choose to read and write a book review, poem, rap or create 3D art representing Conflict or Peace. Be as Creative as you can.

Present your work NEATLY as it will be displayed for everyone to read.
